PRODUCTS THAT ARE VALUE FOR MONEY

CONTINENTAL

About Us

Pragati Accessories Pvt. Ltd. is located in Noida Industrial Area, Uttar Pradesh, India. A fast growing company into manufacturing and exports of Bathroom Fittings, Oral Care Products under strict Quality control.

We specialise in plastic moulded and other allied products which are manufactured with state of art technology using moulding machines from Japan, USA and Taiwan to ensure our customers quality products at the most competitive prices.

Our managing director, Mr Ramesh Wadhwa started the journey with modest undertakings, and today is a proud owner of Brands **Continental (bath fittings) and Care (oral care products)**. Products manufactured are either private label brands or sold under our in-house brands - CONTINENTAL and CARE.

Our products are consistently monitored for the best place in the Indian Markets and overseas with added value and a strong network with years long distributors/dealer connections. Our dream is to make personal Hygiene known and utilised in the most convenient ways possible.

Continental Bath Fittings is progressively focused, keeping in mind, innovation and technology with creating a wide variety of products designed for better health and hygiene every day.

Our Bathroom products have been approved and installed by some of the leading groups such as **DLF, ATS group, Ansal group, Eros, EMMAR, Hero Homes, Gaursons India, Eldeco, TDI, Raheja developers, Ashiana group, Supertech, Bestech, Wave group, CHD developers, Antriksh group, Panchsheel group, Sun World, Logix group, M3M, Orris group, Jaypee group, Migsun group, Radha Buildtech** and many more.

In that respect, we are well-aware of the responsibility and feel the duty to carry our experience and knowledge to young generations at every opportunity and to accompany them in this transformation. Therein, we would like to express in particular that we will continue to work with the same discipline and concentration to make the maximum contribution to our country's economy with our team and all employees.

**MANAGEMENT SYSTEM
CERTIFICATE**

Quality & Environmental Policy

We are committed to produce and supply quality products to our customers in India and abroad. We strive to give our customers the best value for their money while continuously improving the quality of our products, processes and service delivery system in line with our vision.

Our overall quality objective is to continually improve customers and suppliers satisfaction through understanding their needs and expectations.

We are committed to create safe environment for our people, products and society by preventing pollution and by complying with the regulatory requirements related to environment.

Premium Health Faucet Chrome

- HF body moulded from Engineering Plastics.
- SS 304 flexible 1 m / 1.5 m tubes available with the product
- High quality Nitrile Butadiene rubber washers.
- Each Faucet tested at 8 kg/cm².

Style: Article No. 101 with 1 m tube
Article No. 102 with 1.5 m tube

Premium Health Faucet Ivory

- HF body moulded from Engineering Plastics.
- SS 304 flexible 1 m / 1.5 m tubes available with the product.
- High quality Nitrile Butadiene rubber washers.
- Each Faucet tested at 8 kg/cm².

Style: Article No. 103 with 1 m tube
Article No. 104 with 1.5 m tube

Regular Health Faucet **Chrome**

- HF body moulded from Engineering Plastics.
- PVC tube with 1 m / 1.5 m Silver Coated tubes available with the product.
- High quality Nitrile Butadiene rubber washers.
- Each Health Faucet withstands 120 hrs in salt spray test.
- Each Faucet tested at 8 kg/cm².

Style: Article No. 105 with 1 m tube
Article No. 105A with 1.5 m tube

Regular Health Faucet **Ivory**

- HF body moulded from Engineering Plastics.
- PVC tube with 1 m / 1.5 m Silver Coated tubes available with the product.
- High quality Nitrile Butadiene rubber washers.
- Each Faucet tested at 8 kg/cm².

Style: Article No. 106 with 1 m tube
Article No. 106A with 1.5 m tube

Regular Health Faucet **Chrome** (with Hook)

- HF body moulded from Engineering Plastics.
- Wall hook available with this product.
- Each Health Faucet withstands 120 hrs in salt spray test.
- Each Faucet tested at 8 kg/cm2.

Style: Article No. 107

Regular Health Faucet (with Hook) **Ivory**

- HF body moulded from Engineering Plastics.
- Wall hook available with this product.
- Each Faucet tested at 8 kg/cm2.

Style: Article No. 108

Elegant Health Faucet Chrome

- HF body moulded from Engineering Plastics.
- SS 304 flexible 1 m /1.5 m tubes available with the product.
- High quality Nitrile Butadiene rubber washers.
- Each Health Faucet withstands 120 hrs in salt spray test.
- Each Faucet tested at 8 kg/cm2.

Style: Article No. 110 with 1 m tube
Article No. 110B with 1.5 m tube

Health Faucet Elegant / Universal_(with Hook)

- HF body moulded from Engineering Plastics.
- Wall hook available with this product.
- Each Health Faucet withstands 120 hrs in salt spray test.
- Each Faucet tested at 8 kg/cm2.

Style: Article No. 110A
Article No. 118A

Article No. 555A 100 mm Cut

SS304 Gratings Square

- Made From high quality SS304.
- Made in superior matt finish.
- Product with stands 120hrs in salt spray test.

Style: Article No. 556 Plain 125 mm x 125 mm
Article No. 556A Cut 125 mm x 125 mm
Article No. 557 Plain 150 mm x 150 mm
Article No. 557A Cut 150 mm x 150 mm

PVC Tube Grey

- High Quality Double Coated PVC Grey Tube
- Nuts & Inner Hose Connectors of Brass
- High Quality Nitrile Butadiene washers.
- Each tube tested at 8kg/cm2

Style: Article No. 600 1 m tube
Article No. 600A 1.5 m tube

SS 304 Flexible Tube

- SS 304 Flexible Tube with Chrome Plating.
- Nuts & Inner Hose Connectors of Brass.
- High Quality Nitrile Butadiene rubber washers.
- Product withstands 120 hrs. in salt spray test.
- Each tube tested at 8kg/Cm2.

Style: Article No. 601 1 m tube
Article No. 602 1.5 m tube

PVC Tube with Silver Coating

- High Quality Double Coated Pvc Silver Tube.
- Nuts & Inner Hose Connectors of Brass.
- High Quality Nitrile Butadiene rubber washers.
- Each tube tested at 8kg/Cm2..

Style: Article No. 603 1 m tube
Article No. 604 1.5 m tube

PVC Tube Ivory

- High Quality Double Coated Pvc Ivory Tube.
- Nuts & Inner Hose Connectors of Brass.
- High Quality Nitrile Butadiene rubber washers.
- Each tube tested at 8kg/Cm2.

Style: Article No. 603A 1 m tube
Article No. 604A 1.5 m tube

STAINLESS STEEL 304

Braided Hose

(with Brass Nuts)

- Outer Dia of hose 14 mm.
- Wires are of SS 304.
- High Quality EPDM Inside.
- Nuts & Inner hose Connectors of Brass.
- Each hose tested at 8kg/Cm2.
- Each hose withstands heat resistance up to 100°C.

Style: Article No. 605 450 mm
Article No. 606 600 mm
Article No. 613 300 mm
Article No. 614 750 mm
Article No. 615 900 mm

Polyamide Tube

- Dia of hose 14mm.
- Nuts & Inner Connectors of Brass
- High Quality Nitrile Butadiene washers.
- Wires are of Pet Material
- Each hose tested at 8kg/Cm2.

Style: Article No. 607 1.2 m
Article No. 608 1.5 m

PVC Connection Pipe - 14mm

- Dia of hose 14mm.
- Nuts & Inner Parts of ABS.
- High Quality Nitrile Butadiene washers.
- Each hose tested at 6kg/Cm2.
- Each hose withstands heat resistance upto 70°C.

Style: Article No. 609 450 mm
Article No. 610 600 mm
Article No. 611 750 mm
Article No. 612 900 mm
Article No. 616 300 mm

STAINLESS STEEL 304

Braided Connector (with Brass Nuts)

- Outer Dia of hose 12 mm.
- Wires are of SS 304.
- High Quality EPDM Inside.
- Nuts & Inner hose Connectors of Brass.
- Each hose tested at 8kg/Cm2.
- Each hose withstands heat resistance up to 100°C.

Style: Article No. 617 300 mm
Article No. 618 450 mm
Article No. 619 600 mm
Article No. 620 750 mm
Article No. 620A 900 mm
